

### Erratum: *Ex-position* No. 40

Page	Original Text	Corrections	Notes
p. 133	But is it true that, like Benjamin, we have to choose between material conditions and ontology? That is why, ultimately, we have to ask what the connection exactly <b>gains</b> between the ontological and the social.	But is it true that, like Benjamin, we have to choose between material conditions and ontology? That is why, ultimately, we have to ask what the connection exactly <b>obtains</b> between the ontological and the social.
